Membership Classification: ("X" appropriate classification)

### 0 Full Member

Possession of the DXCC Certificate is required, or in lieu of, proof of 25 confirmed 25 countries.

All full members are required to host a GMDXA Monthly Meeting in the following GMDXA season schedule.

(i.e. Join from September to June and you would be required to Host a Monthly Meeting in the Next season, September through June. This list is maintained by the Secretary and is a historical record of Meeting Hosts.)

### 0 Associate Member

This classification is for those who live sixty (60) miles from downtown Milwaukee. This is a non-voting membership with no responsibility of hosting a monthly meeting. Regular dues would apply. Exceptions to the sixty (60) mile limit could be made (and voted upon) on an individual basis as outlined in the GMDXA Constitution.
