

# Minutes of October 2021 GMDXA Meeting Rev 1

The Zoom meeting, was called to order by president Gary Sutcliffe W9XT at 1905. This meeting had been scheduled as an in-person event at Badger Burger in Richfield. Gary said the restaurant emailed him this afternoon saying that the restaurant would be closed tonight due to insufficient staffing. Gary then sent out txt's and/or email's to members who had indicated attending the in-person meeting. Thus, the Zoom meeting as Plan B

**Old Business:** None

**New Business:**

- Gary, W9XT proposed that, starting 1 January of 2022, meeting hosts not be responsible for paying for their meeting. i.e. all attending will go Dutch. Reasons given were escalating costs. An open discussion followed. Gary will summarize comments and followup with a detailed email to all members allowing further comment before a formal motion is offered for a vote of the general membership later this year.

- Gary also mentioned that the November meeting would be held, WEDNESDAY 1 DECEMBER at BADGER BURGER NORTH. The date change is a result of that meeting venue closing on Monday's and Tuesday's starting 1 November.

There being no further club business, a motion to adjourn was made by and the business meeting closed at 2020.
